It's amazing how determined some people are to delete this individual and to destroy this line on Family Search. They don't want it to be there for some strange reason. We have had to repair it and restore it dozens of times, and it still gets deleted.

THIS IS WHERE THE LINE CAME TO AN END ON FAMILY SEARCH.

Why?

It's because Dardanus is the son of Zeus and Electra, one of the Pleiades, according to Greek Mythology. Zeus is fiction, and he doesn't descend from Adam.

Two or three of our lines, though, got it right. In order to know who Dardanus' real parents are, one must turn to Biblical scholarship – the history of the people.

History of Dardanus, Founder of Troy

Death noted on Lewis Ancestry as 1414 BC Hecataeus of Abdera, a fourth-century B.C. Greek historian, states that "Now the Egyptians say that also after these events [the plagues of Exodus] a great number of colonies were SPREAD FROM EGYPT all over the inhabited world...They say also that those who set forth with DANAUS, likewise from Egypt, settled what is practically the oldest city of Greece, Argos, and that the nations of the COLCHI IN PONTUS and that of the Jews (remnant of Judah), which lies BETWEEN ARABIA AND SYRIA, were founded as colonies by certain emigrants from their country [Egypt]; and this is the reason why it is a long-established institution among these peoples to CIRCUMCISE their male children, the custom having been brought over FROM EGYPT. Even the ATHENIANS, they say, are colonists from SAIS IN EGYPT." (Quoted from Diodorus of Sicily. G. H. Oldfather, 1933. Vol I, bks I-II, 1-34, p.91). An examination of some of the historical clues reveals that there lived in Egypt -- during the time of the bondage of the Israelites -- a man named DARDA. According to E. Raymond Capt, "Darda, "the Egyptian," (son of Zarah) was "DARDANUS," the EGYPTIAN FOUNDER OF TROY." (Jacob's Pillar. Artisan Sales, Thousand Oaks, CA. 1977. P. 25). The early migration of Darda is noted in the book How Israel Came to Britain: Actually, groups of Israelites began to migrate away from the main body BEFORE THE ISRAEL NATION WAS FORMED -- while, as a people, they were STILL IN BONDAGE IN EGYPT. One of these groups under the leadership of Calcol, a prince of the tribe of Judah, went westward across the Mediterranean eventually settling in Ulster [Ireland]. ANOTHER, under the leadership of DARDANUS, a brother of Calcol, CROSSED TO ASIA MINOR to found the Kingdom later known as TROY. -- Canadian British Israel Assn. Windsor, Ontario. P.2.

When I went looking for Dardanus on 15FEB2019, the nutters at Family Search had completely deleted him. It didn't even offer me the chance to restore him, so I had to start over from scratch. I hate Family Search, especially when it looks like it's the Admins who are actually deleting the people in your family tree.

<https://www.familysearch.org/tree/person/details/G9QW-GKB>

I also had to restore a half-dozen of Dardanus' descendants and tie him back in with his father Zerah. The nutters had also destroyed Abraham, Isaac, Jacob, and Judah; so, I had to reconnect all of that.

I got my line working again twelve hours later on 16FEB2019. Did I mention that I hate Family Search? There's no way to protect your family tree from being deleted by the nutters and the Admins. It does no good to complain, because they give the nutters free reign on Family Search to do whatever they want to do to destroy your family tree.

I put Dardanus back on Family Search. I wonder how long it will take before they delete him again. There are some crazy people at Family Search who definitely don't want him to be there. I wish they would find something better to do with their lives than deleting and destroying my Family Tree. The Family Search program is not good for me. It's the only thing in my life that gets my blood boiling, so I try to stay away from it for as long as I can.

Zarah ben Judah father of DARDANUS the Founder of TROY

In the book of Genesis in the Bible it says that Dardanus is the son of Zerah and Electra. Zerah was the son of Judah and Tamar. Judah was the son of Jacob (Israel) and Leah.

Please don't merge this file with the other versions of Zerah ben Judah and Zeus that are out there on family search, because each one has a different Life Sketch and therefore represents a completely different line of research. I chose this one as my own separate line of research and the way that I tie the Kings of Troy into the Patriarchs within the Bible. They are all related in the end.

Zerah of JUDAH

Also known as ZEUS, of Greek Mythology

It is interesting to note that the Greeks correctly believed that the Gods are men and women like us -- immortal men and women with superpowers or supernatural

capabilities. The only thing the Greeks got wrong was the personalities or the dispositions of the Gods. The Greeks erroneously believed that the Gods had fallen, vicious, vengeful, vindictive, jealous, and hateful personalities like us rather than exalted and perfected personalities. You see, the Greeks didn't know what it took for mortal men and women to become Gods because the Greeks didn't have the Gospel of Christ. But, it is interesting to see how much they did get right in their mythology.

The other thing that the Greeks got wrong is that they believed that when you kill a God, he stays dead. The Greeks didn't know anything about resurrection. The Egyptians knew that the Gods and mortal men could rise from the dead or be reborn, but the Greeks did not. The Greeks believed that once dead, you stayed dead, and only your spirit continued to live in Hades or the Underworld.

My Patriarchal Line ties directly to this one. On Family Search, I'm a direct descendant of Zerah ben Judah through my patriarchal lineage. In other words, I'm a direct descendant of Zeus through my patriarchal line, and so are many of you. Of course, we are all direct descendants of Elohim and our Heavenly Mother -- both our physical bodies and our spirit bodies.
