The most interesting and creative idea I have seen so far is where they take the daughter of Duke Haudre, marry her to Charlemagne, to produce Gainfroi Sens.

Even though I haven't found any evidence supporting this idea, the dates work thereby making it a realistic possibility. This interesting possibility shouldn't be conflated and dismissed simply by merging her out of existence.

As is typical of Family Search, I have found myself at war with an individual on Family Search who seems determined to delete these people from existence by merging them together into one person thereby deleting five or six of them from existence because he wants all seven of them to be the Abbess of Faremoutiers simultaneously, which is physically impossible.

<https://gw.geneanet.org/sanne5?n=de+haudre&oc=&p=rothilde>

For example, at the above link and on Family Search, Sanne is erroneously trying to merge Rothilde de Haudre with Ruodhaid Carolingian into ONE PERSON, so that they both can be the Abbess of Faremoutiers and the mother of Gainfroi.

The obvious problem with this idea is that the daughter of Duke Haudre can't also at the same time be the daughter of Charlemagne.

Furthermore, the wife of Charlemagne – Rothilde (Rohaut, Rothildis) d'Haudre WIFE of Charlemagne – can't possibly be the mother of Ruodhaid Charlemagne or Rothilde de Haudre, when Sanne has all three different women merged into ONE. It's impossible for Rothilde (Rohaut, Rothildis) d'Haudre WIFE of Charlemagne to be her own mother.

The result of this error or falsehood is as follows on Family Search:

Fictional Hybrid Rotrude de Hesbaye, All Seven Women Merged into ONE

Rotrude de Haudre, MERGED INTO ONE HUGE MESS

--

The dates actually work for Rothilde de Haudre to be the wife of Charlemagne, and for them to produce Gainfroi de Sens.

It's definitely unconventional, but possible.

--

Once again, Sanne erroneously and deliberately merged Rothilde de Haudre the WIFE of Charlemagne with Rotrude de Hesbaye the Wife of Ingerman de Hesbaye. This is an ERROR that he deliberately keeps making on Family Search and Geneanet for some unknown reason. They are NOT the same individual, and therefore shouldn't be merged into one.

<https://gw.geneanet.org/sanne5?n=de+haudre&oc=&p=rothilde>

I thought that Sanne would correct his errors once they were revealed to him; but, he deliberately restores them whenever they are corrected. There's no hope that he will ever correct his errors, because they are purposeful and deliberate. Therefore, the best we can do is to explain why they are wrong.

Sanne wants Rothilde de Haudre daughter of Duke Haudre, Ruodhaid Carolingian by Madelgarde, Rothilde Carolingian by Hildegard, Rotrude de Hesbaye of Unknown Parentage and WIFE of Ingerman de Hesbaye, the Fictional Rothilde the WIFE of Charlemagne, the real historical Rotrude de Hesbaye, and the real historical Rothilde Carolingian ALL MERGED INTO ONE and functioning as the Abbess of Faremoutiers. I don't buy it. IT'S SLOPPY AND IT'S FALSE.

The daughter of Duke Haudre and the daughter of Charlemagne should NEVER be merged together into one because it's physically impossible for them to be the same person!!! Yet, that's precisely what Sanne is doing at most of his links including these.

Furthermore, Rothilde de Haudre the WiFE of Charlemagne might not exist at all. She seems to be a fictional creation. It's also possible that Rotrude de Hesbaye the WIFE of Ingelram de Hesbaye does not exist also. She also might be a fictional creation. When Sanne merges all seven women together, the result ends up being what I'm calling The Fictional Hybrid Rotrude de Hesbaye, Who Is ALL Seven Women Merged into ONE.

IT'S A MESS, AND MOST OF IT IS FALSE AND IMPOSSIBLE.

If Rothilde de Haudre is the WIFE of Charlemagne and the mother of Gainfroi de Sens, then she is NOT going to be the wife of Mainier de Sens and the mother of Gainfroi de Sens at the same time. It gets very confusing and totally senseless when Sanne starts merging Rothilde de Haudre the daughter of Duke Haudre with Ruodhaid de Charlemagne the daughter of Madelgarde. That doesn't make any sense at all.

Sanne wants Rothilde de Haudre daughter of Duke Haudre, Ruodhaid Carolingian by Madlegarde, Rothilde Carolingian by Hildegard, Rotrude de Hesbaye of Unknown Parentage and WIFE of Ingerman de Hesbaye, the Fictional Rothilde the WIFE of Charlemagne, the real historical Rotrude de Hesbaye, and the real historical Rothilde Carolingian ALL MERGED INTO ONE and functioning as the Abbess of Faremoutiers.

All these seven different women can't possibly be the same person, yet Sanne is treating them as if they are so that they call can be the Abbess of Faremoutiers. Sanne doesn't read any of the sources or these life sketches -- he just simply merges all these women together into one.

Sanne deliberately takes what is TRUE and merges it into the stuff that he has created which is FALSE; and, the TRUTH gets deleted in the process. Of course, nobody at Family Search has been willing to help me, so I have to try to find ways to solve the problem on my own, which isn't working.

I'm severely disappointed with the admins at Family Search and the Church of Jesus Christ of Latter-day Saints. They too deliberately facilitate the perpetuation of these errors and falsehoods by providing us with NO way to protect our information and research. They just assume that people like Sanne will automatically correct their errors and falsehoods, and people like him simply don't. We complain, and it doesn't do any good.

Oh well.

I'm getting better and faster at repairing and restoring what he destroys and deletes because I have it all on Ancestry.com where I can quickly restore what he destroys.

The truth will prevail, just not on Family Search, where anyone can delete and destroy anything they want any time they choose to do so.
